Headline:
Staying dry this evening with clear spells overnight.

This Evening and Tonight:
Staying dry through the evening and overnight. Lengthy clear spells will persist for most but becoming cloudier over the far east by dawn. Turning chilly with a risk of isolated grass frost and isolated fog patches in the west. Minimum temperature 2 deg C (36 deg F).

Friday:
After a chilly start, Friday will be a fine day with plenty of warm spells of sunshine. Thicker cloud may edge into the far east with an isolated shower possible. Maximum temperature 20 deg C (68 deg F).

Outlook for Saturday to Monday:
Plenty of dry weather over the weekend and early next week, with sunny spells and just a few showers. Pleasantly warm, with light winds, though quite chilly in places overnight.
